

The logo for BW INDUSTRIAL is positioned on the right side of the image. It features the letters 'BW' in a bold, dark blue font, with a white checkmark-like symbol integrated into the 'W'. To the right of 'BW', the word 'INDUSTRIAL' is written in a white, uppercase, sans-serif font. The background consists of a dark blue gradient on the right and a light blue gradient on the left, separated by a diagonal line. A large, bright blue chevron shape is on the left side, pointing towards the bottom right.

VISION & VALUES

With a best-in-class management team, sizable land holdings and a strong pipeline of future projects, BW Industrial Development JSC's growth strategy is to secure landbank in strategic locations throughout Vietnam's key economic regions through both greenfield developments and acquisitions.

Focusing on the industrial needs of hundreds of suppliers, we use the "queen bee" approach for development along with monitoring the urbanization and industrialization of target provinces.

In addition, we maintain our pioneering position in the market by introducing new product lines with modern facilities to Vietnam's logistics sector.

INVESTED

Becamex specializes in **developing large-scale industrial townships** and maintains one of the largest industrial land banks in key markets across Vietnam.

Historically, Becamex has formed a number of partnerships with foreign players such as **TOKYU Corporation** – a major Tokyo-based infrastructure developer – and **Sembcorp** – a Temasek-sponsored industrial group through the Vietnam Singapore Industrial Park platform (VSIP), which is now widely recognized as one of the most successful industrial park developers in Vietnam.

Warburg Pincus LLC is a leading global private equity firm focused on growth investing. The firm has more than USD58 billion in private equity assets under management.

The firm's active portfolio of more than 195 companies is **highly diversified by stage, sector, and geography**. Warburg Pincus is an experienced partner for management teams seeking to build durable companies with sustainable value.

The firm is headquartered in New York with offices in Amsterdam, Beijing, Berlin, Hong Kong, Houston, London, Luxembourg, Mumbai, Mauritius, San Francisco, São Paulo, Shanghai, and Singapore.

OUR MANAGEMENT TEAM

Li Ting (Lance), CEO

Lance leads and manages BW's growth and strategy, ensuring the company remains a top-tier industrial developer in the country. Before joining BW, Lance was Vice President of Mergers & Acquisitions and International Business of ESR China - the largest Asia-Pacific focused logistics real estate platform by GFA and backed by Warburg Pincus. With more than 20 years of extensive knowledge in the sector, Lance's breadth of experience lends itself to BW's solid foundation, strengthening the company as we prepare to enter Vietnam's next cycle of industrialization.

Aurelio Doetsch, CDO

Aurelio leads project development and the company's fast-paced growth strategy. He brings more than 30 years of operational and commercial leadership and business and project management experience with a focus on improving company effectiveness and delivery results. Before joining BW, Aurelio worked as a Project Director for Alpha King Real Estate Development JSC, supporting multiple teams from initiation to execution; he also served as Project Director for Meinhardt Vietnam on Vinhomes Central Park in Ho Chi Minh City.

Dongwon Kwak, Vice President & Head of North

In charge of Accounting & Finance, Legal, and HR/IT/Admin, Dongwon employs his worldwide experience and diverse thinking, insights, and perspectives, allowing BW to compete on a global scale. Before BW, Dongwon was CEO and Chairman of the Board at Mars Entertainment Group, a cinema chain in Turkey later acquired by CJ CGV; he was also the CEO of CJ CGV Vietnam, delivering an impressive performance across each of the company's international territories.

Vu Le, Deputy CEO

Vu has more than 15 years of experience in the industrial real estate field. As a representative of Becamex IDC and liaison to the government, he works closely with the Industrial Park Authorities, securing support and incentives across various industries and manufacturers. Vu previously served as Deputy General Director of Becamex - Tokyu Joint Venture and the Deputy General Director of Binh Duong Construction & Civil Engineering Joint Stock Company.

OUR TENANTS

MR. NELSON WU

GENERAL DIRECTOR OF BEST INC. VIETNAM

“Requiring state-of-the-art facilities in a fast-moving digital economy meant Vietnam was the perfect choice. I’d visited more than 50 facilities and worked with more than 10 agents before finding BW.

Their solid infrastructure platform helps deploy modern tech solutions, which helps us better manage our business. BW has given us a platform to reach larger goals and better serve the Vietnamese community.”

MR. YOTARO KANAMORI

GENERAL DIRECTOR OF GENERATION PASS IN VIETNAM

“Leasing rates at Bau Bang are very competitive; the compelling infrastructure makes it convenient for us to meet business partners and customers in the province. Besides, BW provide a Japanese-

speaking salesforce and customer service department who have thoughtfully supported us through business setup and operation from the moment we expressed interest. We believe in ‘Made in Vietnam’.”

MR. ALEXANDER CHRISTOPHER FALTER

MANAGING DIRECTOR OF ECCO VIETNAM

“Eventually, we’ll build a shoe manufacturing facility ourselves; but for the next five years we’ll lease BW’s ready-built factories. When we first came here, we visited several IPs in southern Vietnam before coming to

Bau Bang by BW; here, we found exactly what we were looking for. With their active support, it only took four months from the issue-date of our business license to officially begin production.”

MR. TRAN TUAN ANH

MANAGING DIRECTOR OF SHOPEE VIETNAM

“Shopee’s focus is to continue to enhance buyers’ and sellers’ experience on our platform. The strategic partnership with BW

gives us the capability to deliver best-in-class logistics services to our users, further strengthening the growth of e-commerce in Vietnam.”

RAPID IMPROVEMENT OF INFRASTRUCTURE

Overview of Manufacturing in Vietnam

Northern Key Economic Zone (NKEZ)

- Ha Noi
 - Hai Phong
 - Bac Ninh
 - Hai Duong
 - Hung Yen
 - Vinh Phuc
 - Quang Ninh
- Proximity to neighboring operations and low labor costs make the NKEZ ideal for manufacturers in search of new opportunities in the region.

Central Key Economic Zone (CKEZ)

- Thua Thien - Hue
 - Da Nang
 - Quang Nam
 - Quang Ngai
 - Binh Dinh
- Key industries focus on light industry projects.

Southern Key Economic Zone (SKEZ)

- Ho Chi Minh City
 - Binh Duong
 - Dong Nai
 - Long An
 - Ba Ria - Vung Tau
 - Binh Phuoc
 - Tay Ninh
 - Tien Giang
- Represent the core of the country's industrial market and traditional sectors, including rubber, plastics, textiles and apparel. As the region's economy is more diversified, SMEs prefer to invest here.

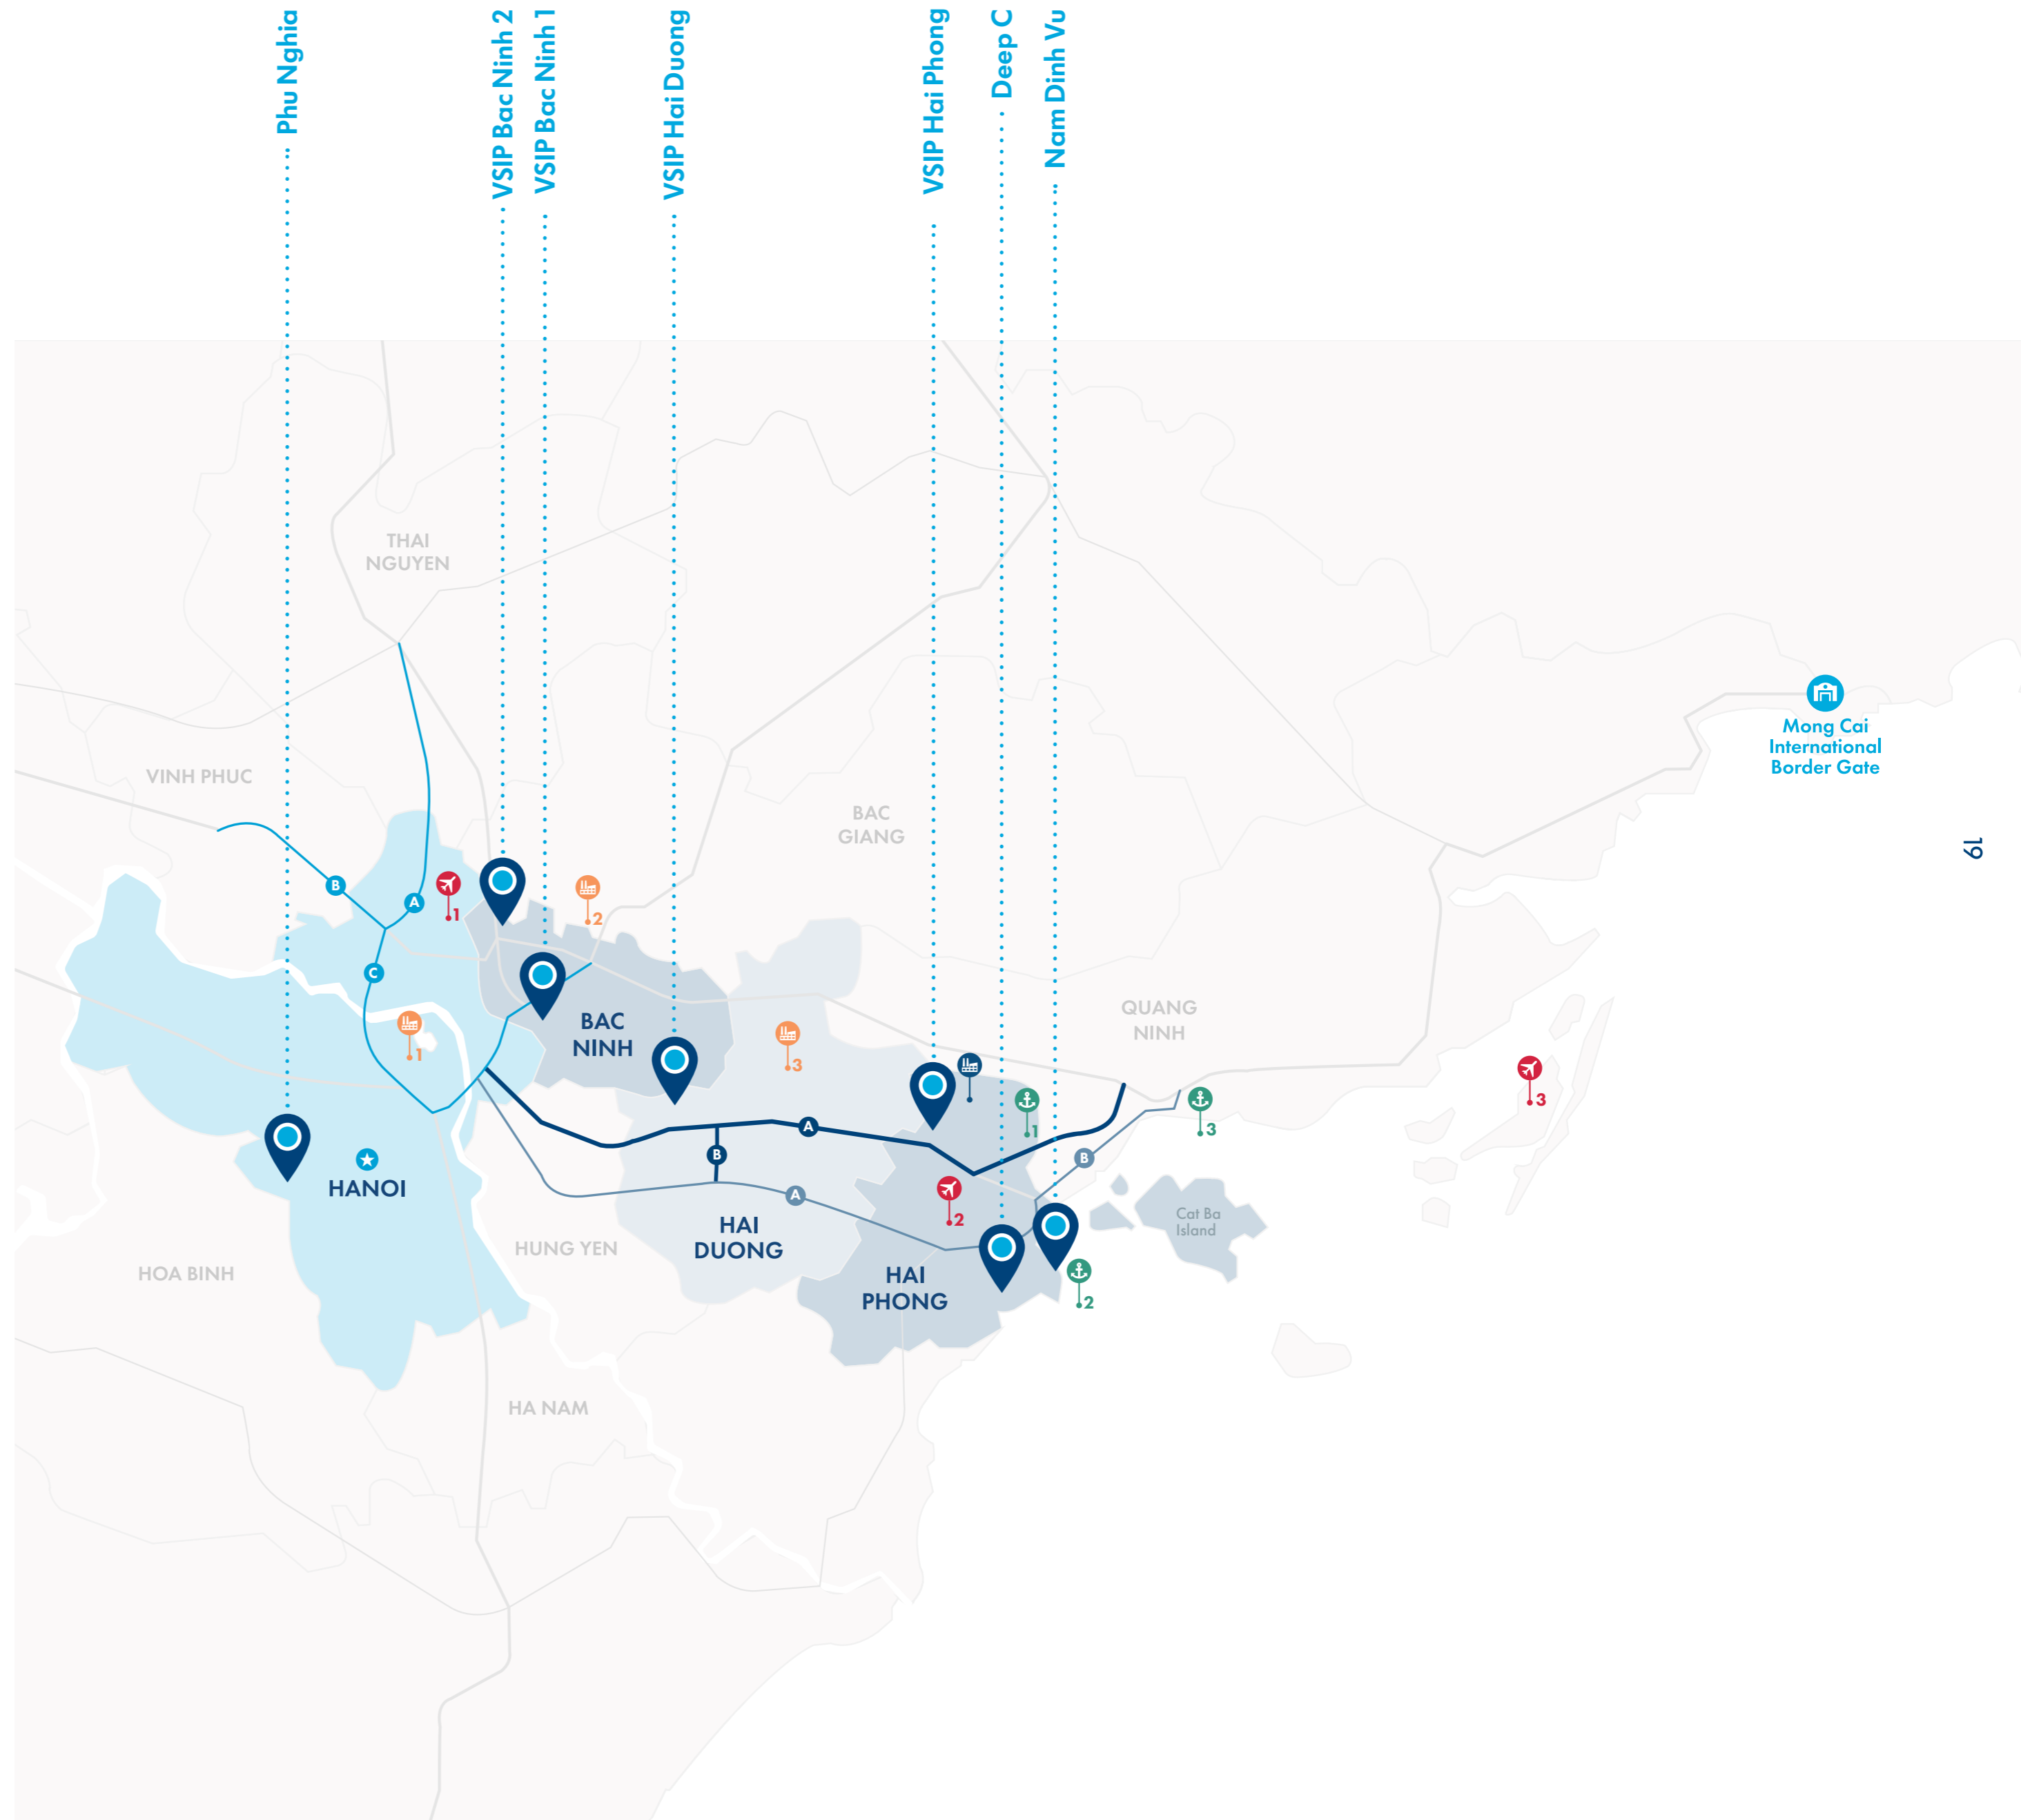

Container ports in North, Central & South

Vietnam has 44 seaports with a total capacity of 470 - 500 million tons per year. The major ports include Hai Phong, Da Nang, Quy Nhon and Ho Chi Minh City. However, Vietnam has a number of smaller ports as well, which takes the total number up to 320.
